

InterMotive's Elkhart office moves to a new facility

ELKHART, INDIANA – November 20, 2023

This month, InterMotive Vehicle Controls moved its Indiana office into a larger facility within the city of Elkhart.

The move allows InterMotive to expand its capacity for production, inventory and office space for more personnel. The new location will also enable the team to work more efficiently with local customers.

“We are thrilled to announce our move,” says Wes Rodgers, Operations Manager at the Elkhart office. “It represents our continued commitment to meeting the needs of our customers with quality products and support.”

The new office is located at 3416 County Rd. 6 E, Unit 2, Elkhart, IN 46514.

###

InterMotive Vehicle Controls provides commercial safety and performance optimization products. Our plug and play electronic control systems leverage a vehicle's own data networks to enhance its functions in new ways. We specialize in custom solutions for the work truck, transit and paratransit, law enforcement, ambulance, fire truck, school bus, RV and personal-use mobility industries.
