

LGS Group means business with new General Manager and additional staff at growing Elkhart office

ELKHART, INDIANA – April 2, 2019

LGS Group, the master distributor for InterMotive Vehicle Controls, has hired Romeo Berthier as General Manager of the Elkhart office. Two support staff have been added as well.

Berthier is responsible for overseeing and directing the flourishing Elkhart assembly business unit, including operations, recruitment and supplier optimization. He will also assist with LGS Group's expanding work truck, ambulance and RV sales.

Previously, Berthier worked as plant and engineer managers, developing new products in the automotive components industry. His experience includes over 15 years in sales.

"At the rate we are growing, Romeo brings a much-needed element to the team," says Greg Schafer, Executive Vice President of LGS Group. "His focused guidance will help steer our assembly business in the right direction."

###

LGS Group is the master distributor for InterMotive Vehicle Controls, manufacturer of electronic control systems designed to optimize vehicle fuel economy, safety and productivity.
