AUBURN, CALIFORNIA – September 30, 2019

LGS Group, the master distributor for InterMotive Vehicle Controls, announces the hiring of three new team members: Lisa Medina, Debbie Cabrera and Megan Walker.

Medina joined LGS Group as office manager for the company's main Incline office. Previously, she worked in accounting and human resources as an office manager in Valencia, California.

Formerly in warranty administration for InterMotive, Cabrera moved to LGS Group as an inside sales associate. Her responsibilities include sales orders and inquiries for law enforcement, ambulance and fire truck products.

Service replacement part orders recently switched from InterMotive to LGS Group, and Walker manages the new role as service parts administrator. She also transitioned from InterMotive, advancing from the production department to take on the position.

"We are excited to have these hard-working women join us," says Linda Schafer, President of LGS Group. "Debbie and Megan have already proven themselves as dedicated professionals, and Lisa is a great fit to head up our administration team."
