

InterMotive welcomes new Senior Vice President

AUBURN, CALIFORNIA – January 3, 2024

InterMotive Vehicle Controls has hired Carl Wacker to the newly created position of Senior Vice President, reporting directly to Greg Schafer, President.

Wacker will be responsible for all operations of both InterMotive and LGS Group, the master distributor for InterMotive. His experience includes managing operations for manufacturing companies in Europe, Asia and India. InterMotive has recently expanded its footprint into the Indian automotive market and plans to further broaden its reach with Wacker's lead.

"Given Carl's impressive track record for growing revenue, product lines and market share for automotive companies in the electronics and power management spaces, we are ecstatic to have him join our team," Greg Shafer says.

###

InterMotive Vehicle Controls provides commercial safety and performance optimization products. Our plug and play electronic control systems leverage a vehicle's own data networks to enhance its functions in new ways. We specialize in custom solutions for the work truck, transit and paratransit, law enforcement, ambulance, fire truck, school bus, RV and personal-use mobility industries.
